

Immediate (1):

SL: Here's the replay

PV: N/A

Hey {first_name},

It looks like you couldn't make it to the free live masterclass.

I'll get you right with the replay though: [LINK]

This won't be up forever so give it a watch while you still can.

Let me know what you think.

- Dylan

Morning (2):

SL: I'm giving you another try

PV: N/A

Hey {first_name},

Let me summarize the free live masterclass for you real quick...

Most people treat this business model like a coin flip and never get anywhere with it.

My whole approach is built around focusing on what you have control over so that a certain input gives you an exact output.

I have motivated sellers coming to me, a spread built into all of my contracts, and cash buyers ready to take those contracts off of my hands.

I've covered absolutely everything that a complete beginner needs to land their first \$20,000 to \$50,000 deal in the next 90 days.

I'm keeping the replay up for a little longer: [LINK]

Let me know what you think.

- Dylan

Action Item (3):

SL: What is the next step?

PV: N/A

Hey {first_name},

You should understand how my approach works now from the [free live masterclass](#).

The next step is actually pretty straightforward from here...

You schedule a discovery call with my team.

We will use that in order to figure out whether or not you're a good fit for *Contract Flips*.

If everything makes sense then we will figure out what it will look like.

You can get started with that right here: [LINK]

I'm looking forward to it.

- Dylan

Outskirts (4):

SL: Are you still on the fence?

PV: N/A

Hey {first_name},

Let me take some of the pressure off in case you're still on the fence about this...

You don't need any experience.

Leo and Spencer landed their first deal on day one without any.

You don't need a license whatsoever.

All you're doing is acting as the middleman between the motivated sellers and cash buyers.

You don't need any capital of your own.

You just get properties under contracts and assign them without putting anything up.

This discovery call is just a conversation between yourself and my team, so that we can determine whether or not it's a good fit, and hook you up with the right game plan.

You can begin the scheduling process right here: [APPLY LINK]

I'm looking forward to it.

- Dylan

Last Chance (5):

SL: The replay has disappeared

PV: N/A

Hey {first_name},

Just a quick heads up that the replay for the free live masterclass is being taken down soon.

I would definitely recommend checking it out: [LINK]

You must remember that I can only take on so many mentees at a time.

The spots are filling up as more and more people wake up to this opportunity.

You can schedule a discovery call here if you want in as soon as possible: [LINK]

I'm looking forward to it.

- Dylan
