Business Opportunity (3):

SL: How does this even work?

PV: N/A

Hey {first_name},

I want you to understand my actual approach to real estate wholesaling considering the fact that you've registered for the free live masterclass.

I'll make it simple for you...

Most people try to make this work by cold calling strangers, driving around run-down neighbourhoods, and purchasing random lead lists.

This causes their deal flow to become inconsistent and unpredictable.

I flip the script and focus on what I have control over, so that a certain input can give me an exact output.

This means motivated sellers coming to me, spreads built into all contracts, and a network of cash buyers ready.

It's the difference between doing a coinflip and having a repeatable process.

This free live masterclass will cover everything that you need to know in order to run it for yourself.

See you there.

Narrative (4):

SL: High school to six figures a month

PV: N/A

Hey {first_name},

I was a 17-year-old in my junior year of high school two years ago.

I was trying to make this work the hard way by cold calling strangers, driving around rundown neighbourhoods, and purchasing random lead lists.

Everything changed when I stopped chasing motivated sellers and had them come to me instead.

This clicking allowed me to land my very first deal worth over twenty grand at the time.

I ended up dropping out of high school in order to really hone in on real estate wholesaling.

I've now been able to do over six figures per month with it and generate over \$1,000,000 in student deals.

I'll be covering absolutely everything on the *28th of June*.

The ninety minutes spent on that [free live masterclass](#) could genuinely change the trajectory of your life.

See you there.

Future Pacing (5):

SL: One good deal changes everything

PV: N/A

Hey {first_name},

Just picture waking up on a normal Tuesday and checking your phone to see that a cash buyer has agreed on a contract with a \$30,000 spread.

You spend an hour or two lining up your next few deals and then take the rest of the day for yourself.

This is literally the life that my students get to live now...

Janeer is doing over \$50,000 every single month.

Leo and Spencer are sitting at around the same level.

Chase has gone from complete beginner to landing deals all the time.

I've even got some that are approaching \$100,000 months.

The only difference between them and yourself is that they took ninety minutes to show up to another [free live masterclass](#) just like this one.

You can do the exact same thing on the *28th of June*.

See you there.

- Dylan

P.S. I've uploaded interviews with each of these students inside the *WhatsApp group*: [LINK]

Sneak Peek (6):

SL: I'll let you in on a little secret

PV: N/A

Hey {first_name},

Everybody's been asking what I'm going to cover on the free live masterclass.

Here's a sneak peek into the three pillars...

The first pillar is how to attract motivated sellers rather than chasing them.

I'll show you how to set up marketing that brings them to you instead of having to cold call or drive around for them.

The second pillar is how to arrange contracts that leave you with a massive spread.

I'll explain the ways that you can know your numbers off by heart in order to build a huge margin before signing anything.

The third pillar is how to assign those contracts to cash buyers on autopilot.

I'll walk you through keeping a list of ready buyers so that your deals get assigned the moment you lock them up.

The cherry on top will be a Q&A for the ones that stay until the end.

See you there.

- Dylan

Objection Handling (7):

SL: Your prayers have been answered

PV: N/A

Hey {first_name},

I'm getting a lot of questions about the free live masterclass.

Let me handle some of the big ones:

You might think that having no experience is an issue.

Leo and Spencer were able to land their first deal on day one as complete beginners.

You might feel like you need a load of capital to get going.

You can get a property under contract and assign it over to a cash buyer without ever putting up your own money.

You might even think that this sounds too good to be true.

I can definitely respect that, but I'm willing and able to show you real students, real people, and real numbers.

You might assume that you need some sort of license for this.

You can get started without one because you're not buying or selling the properties yourself.

You might be wondering whether or not I'm doing this to sell you something.

I'll only explain at the end how to work with me if you're wanting my help in the first place.

I can guarantee that you'll walk away with more than you had to begin with either way.

See you there.

- Dylan

Addressing (8):

SL: Why am I making this free of charge?

PV: N/A

Hey {first_name},

I'm just going to be straight up with you because I get asked this all the time.

I do very well with real estate wholesaling, but this free live masterclass is still free.

Everything is practically running on its own now, so I have the choice between sitting around, or helping others.

The choice is obvious and this is simply my way of giving back to you guys.

See you there.

- Dylan

Morning (9):

SL: It's game time

PV: N/A

Hey {first_name},

The day has finally arrived.

I'll be going live at *7PM EST*.

Here's what I'll be covering tonight...

- How to attract motivated sellers rather than chasing them.
- How to arrange contracts that leave you with a massive spread.
- How to assign those contracts to cash buyers on autopilot.

I'll do a Q&A for everybody that stays until the end.

I've simplified everything so that you're ready to go within the span of ninety minutes.

Would landing your first \$20,000 to \$50,000 deal in the next 90 days be worth that?

- Dylan

P.s. Join from your laptop in a quiet room for the best experience.

One Hour (10):

SL: One hour left

PV: N/A

Hey {first_name},

Someone in your position is about to learn how to land their first \$20,000 to \$50,000 deal in the next 90 days.

They won't be any more competent or capable than you.

The only difference is that they decided to show up to the free live masterclass.

I'll be going live in just sixty minutes and walking through everything with you.

There will also be a Q&A going down towards the end.

I hope you know that there won't be another chance to catch this.

Most of the people that registered for it won't even show up.

They've told themselves that they can check it out another time, but they really can't, so don't be one of them.

See you soon.

- Dylan
